Kindness Cupboard

Thank you so much for your generous donations to our Kindness Cupboard. It is wonderful to see the joy on our children's faces when they place their items in the cupboard and we look forward to continuing with this for the summer term. Every item given will really help those in need and we look forward to seeing our cupboard replenished.

School News

At the end of last term we said goodbye to two members of our staff team. We say goodbye to Barbara Cleary, a valued member of our Midday team and Jade Simmons a much loved Learning Support Assistant. We thank them both for all their hard work and wish them every success for the future.

School Uniform

A little reminder that children can now wear summer uniform.

Girls - white polo shirts or yellow summer dresses.

Boys - white polo shirts, grey shorts

Children who still wish to wear a white shirt are still required to wear a school tie.

Water Bottles

Please remember to send your child/children in with a water bottle every day. As the days are getting warmer children will also need hats and sun cream. Thank you.

Attendance

Lovely to see the children back looking refreshed and ready to learn - which class will win the attendance trophy next week?

Just a little reminder that Breakfast Club needs to be booked in advance. Spare booking forms are available at the front desk. Thank you.

Parking - Message from Governors

No parent parking

Despite many reminders we are sad to see that a number of cars are still entering the car park on a daily basis which is causing a real safety issue for the children in the school. This situation is currently under review and we ask that parents find alternative parking with immediate effect as access will be restricted.
