News from pupils...

Junior Music Festival at the Cliffs Pavillion

We enjoyed the incredible atmosphere and I could feel other people's enjoyment through the way they were singing the exquisite songs. As you look out into the audience and see all the smiling faces you get a strong feeling of pride. It was the best concert in the world. Thank you to the lovely Mrs Withams and everyone who organised the lovely day.

District Sports

On the 14th June some children from KS2 took part in the District Sports at Garons Park. We were very excited pinning on our numbers and getting on the coach. When we arrived, Mr Dawes was waiting for us. The weather was cold and rainy but we still tried our best. We took part in ball throw and long jump. Everybody cheered for each other and lots of us won medals for our school team. Overall our school came 4th out of the five schools that competed.

Governor Commentary

It is always a privilege to see the children of St Teresa's shine and last week they certainly did this - not once but twice.

On Thursday, under the wonderful coaching of Mr Dawes, our children demonstrated just how sporty and competitive they are bringing home many, well deserved medals. All morning they cheered each other on, supported one another and did everything that was asked of them and more. Well done!

On Friday, our wonderful musical director (otherwise known as Mrs Withams) took 29 children to the Cliffs Pavilion for the Junior Musical Festival. Wow! They were incredible, singing their hearts out with absolute joy. Their smiles were contagious and we just had to smile with them. For a small school we really stood out and for all the right reasons. You all looked very smart and behaved impeccably.

Thank you to everyone involved- parents, teachers, LSA's and most importantly our wonderful children.

Well done, we are very proud of you all.
